

Community Housing

To AWMEC Members,

We kindly request your consideration for inclusion in your annual donation program.

We are a not-for-profit community housing service dedicated to supporting the local area. Our mission is to assist those in emergency need of short-term accommodation.

As a not-for-profit organization, our operations rely solely on the generous donations and contributions from the compassionate individuals within our community.

At present, we are seeking a donation of \$1500 to be allocated towards winter blankets. With winter only a couple of months away, numerous individuals in dire need are about to face the cold, and your support can provide them with much-needed warmth.

If your club approves our request, we would be immensely grateful and willing to attend your Members Meeting to provide further insight into the invaluable services our community housing offers to the local area.

In the event our request is successful, we kindly ask that you make the donation payable to the following bank account:

BSB 000 000

Thank you for considering our request, and we look forward to the possibility of working together to make a positive impact on the lives of those in need within our community.

In faith,
